

POLICY STATEMENT

We will strive to offer our clients a service, which is second to none in both service and quality of installation. We will achieve this by:

- Offering our clients a high level of customer service
- Work as a team to deliver growth within the cabling market
- Maintaining a directly employed workforce
- Continually training our staff
- Maintain strong partnerships with cabling manufacturers
- Developing new opportunities

Data-Lec Limited is proud to be accredited to the following Industry Specific Schemes and Associations:
